

- e. Give a brief summary of the style of Trump's tweet you have found based on the frequently used words. (10 points)

Based on the frequently used words in Trump's tweets, it appears that he often tweets on:

About himself (using his own Twitter handle, "**realDonaldTrump**").

His political campaign and presidency (using words such as "**Trump,**" "**President,**" "**America,**" "**country,**" and "**run**")

Expresses **positive sentiment** (using words such as "**great,**" "**Thanks,**" "**Thank,**" and "**good**").

He also frequently mentions former President Obama.

Additionally, there are references to running for office, being president and the importance of the position.

Furthermore, it can be inferred that the tweets were written during his time as president, as he often mentions the word "President" and words related to being in office.
